FOUNDATION.

HIS Royal and National Institution was founded in the year 1822 through the patriotic exertions of John Fane (Lord Burghersh), eleventh Earl of Westmorland, and commenced its public work in 1823 under the direct patronage of His Majesty King George IV., whose interest in its welfare was manifested by an annual subscription of one hundred guineas.

OBJECTS.

The objects of the Academy, as set forth in its Charter, are "to promote the cultivation of the science of music, and to afford facilities for attaining perfection in it by assisting with general instruction all persons desirous of acquiring a knowledge thereof," and by a Supplementary Charter granted 29th November, 1910, the privileges of the Institution were extended so as "to do all and all manner of acts and things whatsoever and wheresoever which shall be necessary for or conducive to the effecting or carrying out the objects of the Royal Academy of Music or which the Board of Directors thereof shall in their discretion consider necessary."

HISTORY.

Shortly after the opening of the Academy, His Majesty King George IV. further evinced his interest in the School by granting it a Royal Charter on 23rd June, 1830. His successors, King William IV., Queen Victoria and King Edward VII., were also Patrons of the Academy, and continued the pecuniary contribution to its funds.

While Prince and Princess of Wales, His late Majesty King Edward VII. and Queen Alexandra conferred the highest distinction upon the Academy by graciously attending, in person, the distribution of prizes in the year 1897, and the present Sovereign, King George V., with his Consort, Queen Mary, have recently indicated their interest in the institution by heading the list of Royal Patrons.

On the lamented death of the President, H.R.H. the Duke of Saxe-Coburg and Gotha, in 1900, the Academy was honoured by the gracious acceptance of the Presidentship by H.R.II. the Duke of Connaught and Strathearn.

During the hundred and two years of its existence, the Academy has laboured steadfastly to achieve the objects of its Founders. Its work in the cause of musical education has been carried on with the help of

many eminent musicians and lovers of music, by its Principals, Dr. William Crotch, 1823; Mr. Cipriani Potter, 1832; Mr. Charles Lucas, 1859; Sir William Sterndale Bennett, 1866; Sir George A. Macfarren, 1875; and Sir Alexander Campbell Mackenzie, 1888. That its work has been successful is attested by the fact that starting with only twenty students in 1823, the number now under training is considerably over 800, and that of the thousands who have received their musical training within its walls, a very large number have risen to positions of eminence and distinction and have extended the good work, not only throughout Great Britain, but also to the British Dominions and the Empire of India.

Throughout the period extending from March, 1823, to July, 1911, the work of the Academy was carried on at Tenterden Street, Hanover Square, beginning with one house and adding others as the number of pupils increased, until at last six houses were absorbed and no further extension could be made. The need for more commodious and more suitable premises having become urgent, the Directors secured a new site in the Marylebone Road, and the foundation stone of the new building was laid by the late Lord Strathcona on the 14th of July, 1910. The building being completed, the work of the Academy was transferred to it in time to begin the new session at Michaelmas, 1911. The building was formally opened by His Royal Highness Prince Arthur of Connaught on Saturday, the 22nd of June, 1912. The new Academy is centrally situated and easily reached; it is near the termini of three main lines (viz., Great Western, London and North-Eastern, and London, Midland and Scottish Railways), and is easily accessible by the various "Tubes" and omnibus services.

Though they could not forsake the old home of the Academy without feelings of regret, the Governing Bodies feel much gratification in being able to provide a building specially designed for the work of the School and affording the professors and students fuller facilities for carrying on their work than were obtainable in the old building.

CONSTITUTION AND GOVERNMENT.

The Academy is incorporated by Royal Charters, granted 23rd June, 1830, and 29th November, 1910, and, as provided therein, is governed by a President, four Vice-Presidents, Board of Directors, Committee of Management, Chairman, and Treasurer, all of whom are elected from among the members of the body corporate. Acting under these are the House Committee, the Principal, and the executive officials.

Membership in the Corporation is unlimited, and all classes of Subscribing Members are eligible for election on the Directorate and the Committee of Management.

PRIVILEGES OF SUBSCRIBING MEMBERS.

FIRST CLASS.

Contributors of 100 guineas in one payment, or 10 guineas annually, have the privilege of being present at, and of introducing three persons to, all the Public Concerts and Distributions of Prizes of the Institution, and at and to the Fortnightly Meetings, Orchestral and Choral Practices and Lectures held at the Academy, so far as space and other circumstances permit.

SCHOLARSHIPS AND EXHIBITIONS.

The holder of any Scholarship or Exhibition is ineligible for future

competitions for that particular Scholarship or Exhibition.

There are sixty-four Scholarships and Exhibitions in active operation at present. They are obtainable by competition only, and, except where the contrary is stated, both Students and Non-students are eligible. As a rule, they are tenable for three years; but the conditions of competition and tenure vary in accordance with the wishes of the respective founders. Full particulars and entry forms are obtainable on application to the Secretary about ten weeks prior to the respective dates of the competitions. The holder of any R.A.M. or Associated Board Scholarship or Exhibition is, during its tenure, ineligible to hold any other Scholarship or Exhibition. The holder of a Scholarship is subject to periodical examination, and if satisfactory proof of progress be not given, the Committee may declare the

Scholarship vacant and hold a new election for the residue of the term thereof. The Scholarships and Exhibitions comprise:—

PAYING STUDENTS.

Ordinary Paying Students are admitted at the beginning of each Term and Half-Term. Before entering, they are examined by the

Principal or Warden.

This Examination is in no sense competitive, and persons are accepted as Students provided they give evidence of careful preliminary training or of sufficient natural ability. The objects of the Examination are (1) to enable the Principal to judge as to the general fitness of a candidate for acceptance as a Student; (2) to ascertain the degree of proficiency already attained by the candidate; and (3), if accepted, to make the necessary arrangements for Professors and Classes.

The fee for this Examination is One Guinea, which should be forwarded, about a week before the Entrance Examination. If the applicant become a Student, this fee is considered as part payment of the entrance

fee of Two Guineas.

The appointment of Students to the various Professors is left absolutely to the discretion of the Principal.

Students are not admitted for a shorter period than three Terms,

nor for less than the ordinary curriculum.

To obtain the highest awards of the Academy, a course of at least three years' study is requisite.

At least fourteen days' notice of the removal of a Student is required. Failing the due receipt of such notice by the Secretary the fees for half a Term are payable.

There is no limit to the age of Paying Students.

Persons residing at a distance from London may obtain information and advice respecting the Academy from any of the Honorary Local Representatives. (See List, pp. 58—61.)

(For the Junior Department see p. 36.)

STUDENTS' AID FUND.

It is open to any person to assist students by paying the whole or any portion of their fees, by subscribing to the Students' Aid Fund, or by founding Exhibitions.

The Students' Aid Fund consists of a Capital sum of about £2,000, contributed in the course of the last thirty years by friends of the Academy and Patrons of Art, the interest on which is advanced for the

purpose of reducing the fees of deserving students.

In administering this Fund-which is all too small to meet the demands made on it-the most careful consideration is paid to the circumstances and qualifications of each beneficiary. Below is a note of the Income and Expenditure during 1923-24.

While the eventual repayment of the sums advanced is not made a condition of benefit, the Committee of Management welcome all efforts made to testify in this practical manner to the value and usefulness of the Fund.

(See Regulation II., p. 36.) All other Students are required to take Pianoforte as Second Study.

Subject to the approval of the Principal, Students may take an additional Principal Study, or additional lessons in any branch of the curriculum, upon payment of the extra fee stated on p. 27; but no Student will be permitted to take private lessons in any subject

They should then attend on the day of examination, bringing with them music which will exemplify their attainments in the subjects proposed for Principal and Second Studies respectively. An accompanist is provided, but applicants may bring their own if they so desire.

ANNUAL EXAMINATION OF STUDENTS.

Annually, in the Midsummer Term, every Student who has attended throughout the Academic Year is required to undergo an examination in each subject of study pursued by him or her. These examinations are conducted by Boards of Examiners appointed by the Committee of Management.

To such Students as show sufficient progress awards are made as follows: For Principal Studies, Composition, and Aural Training:—

To Students of one or more years' standing, Commendation or Bronze Medals.

To Students of two or more years' standing, who have already taken bronze medals, Silver Medals.

To Students of three or more years' standing, who have already taken silver medals, Certificates of Merit.

For Languages, Dancing, Deportment and Fencing—Prize Books.
For Second and other Studies, "Honourable Mention." Those who have twice previously obtained "Honourable Mention" will be permitted to enter as for Principal Studies.

To supplement and to lead up to the Annual Examinations in the Midsummer Term, the Committee of Management have decided to set aside for special intensive work one whole week towards the end of each of the Michaelmas and Lent Terms.

Particulars of these weeks will be found in the Calendar (pp. 8-11).

The work in the Academy during these special weeks will be arranged so as:—

- (1) to provide opportunity for students to co-ordinate their separate studies, and to survey and summarise their work during the previous part of the term;
- (2) to provide special lectures, lecture-lessons and recitals designed to illustrate and explain the broad principles and necessary conditions of physical and mental development which underlie all educational and artistic progress;
- (3) to afford special indication as to the standards and attainments expected in the Midsummer Examinations from both a Technical and an Interpretative point of view.

Michaelmas Term . Dec. 1st., 1924—Dec. 6th, 1924. Lent Term . Mar. 30th 1925—April 4th, 1925. Midsummer Term (Examinations) . June 29th, 1925—July 4th, 1925.

During these three weeks no ordinary lessons will be given in the Academy. Students will, however, be obliged to attend such lectures, etc., as the Principal may determine in order to qualify for their Annual Awards.

LODGINGS FOR STUDENTS.

There is no accommodation in the Academy for resident Students. For the convenience of Parents, Guardians, and Students, a list of persons who are desirous of receiving Students as boarders, and who have given references as to their fitness and respectability, is kept. This list is open to inspection at all times, and a copy thereof will be sent to the parents or friends of intending Students on application to the Secretary.

REFRESHMENT DEPARTMENT.

Luncheons, teas, and light refreshments can be obtained at moderate prices, the arrangements being under the supervision of the House Committee and the Secretary.

STUDENTS' PRACTICE.

Owing to want of space, general practice cannot be permitted at the Academy. Two practice organs have, however, been erected and arrangements can usually be made for Organ Students to practise.

REPORTS.

A report on the progress of each Student is made annually by the Professors concerned, and is transmitted by the Principal to the parents or guardians of the Student. Special reports of a similar character are made when desirable.

SUB-PROFESSORSHIPS.

All Students are taught with a view to the possibility of their becoming teachers and, as a mark of particular distinction, advanced Students are appointed Sub-Professors, and are required to give instruction in the Academy under the supervision of their own Professors. This appointment is for a period not exceeding three years, and is relinquished if the Student leave the Academy before the expiration of the period.

EXAMINATION ON LEAVING, DISTINCTIONS, &c.

On leaving the Institution, Students who have attended more than six Terms may be examined by the Principal. If the examination prove satisfactory, they receive a Certificate of their qualification as teacher, performer, or both. (See Regulation XVI., p. 38.) Those who have been specially successful during their studentship may be recommended to receive the distinction of Associate of the Institution.

Students who distinguish themselves in the Musical Profession after quitting the Institution may, on the recommendation of the Committee of Management, be elected, by the Directors, Associates or Fellows of the Royal Academy of Music, with the privilege of the use after their names of the letters A.R.A.M. and F.R.A.M. respectively.

No Student, nor any Past Student not being an Associate or Fellow of the Academy, is under any circumstances entitled to use these distinguishing letters.

No Student is allowed to take part in any public performance, or publish any composition, or enter into any professional engagement, without the permission of the Principal. (See Regulations XII. and XIV., pp. 37 and 38.)

CONCERTS, OPERATIC AND DRAMATIC PERFORMANCES.

Evidence of the progress made by the Students is given at the Fortnightly and Practice Concerts held during Term time in the Academy, and by Public Chamber and Orchestral Concerts given every Term in such Metropolitan Concert Hall as the Committee may select. Friends of Students and Subscribers to the Institution receive tickets for these Concerts.

OF THE

Royal Academy of Music

AND

Royal College of Music.

PRESIDENT: H.R.H. THE PRINCE OF WALES, K.G.

It is a matter of interest and importance that the pupils of the Academy should realise the significance of the operations of the Associated Board of the Royal Academy of Music and the Royal College of Music. This Board was established about thirty years ago, under the Presidency of King Edward VII., when Prince of Wales, to provide by its Local Centre and School Examinations tests of the teaching of music throughout the Kingdom, and a stimulus to the teachers. The field of its activities has widened immensely during these years, and the Board is now responsible every year for the examination of several thousands of candidates.

Further, the Board has established a considerable number of Exhibitions at both Institutions, which are awarded on the results of these examinations. Thus many pupils of the Royal Academy of Music owe their musical education to the Board.

The work of the Associated Board in music is very similar to that of the Joint Board of the Universities of Oxford and Cambridge in general education, for the examination of schools, and the awarding of certificates.

In order that the standard of the examinations may be kept at the highest level, the teachers at the R.A.M. and R.C.M. are mainly responsible for the examining work. They are selected as far as practicable in equal numbers from the two Institutions. As it is impossible to avoid some part of these examinations taking place in term time, pupils may be sure that, if their teachers are called upon to be away for the inside of a week in any term on this important work, all lessons belonging to that week will be made up in the most effective way with the least disturbance of the pupils' work.

- C.—Existing Associates of the Royal Academy of Music, and Associates elected under these Bye-Laws, and no other persons, shall be entitled to the use after their names of the initials A.R.A.M.
- D.—Past Students who have distinguished themselves in any of the subjects which form part of the course of study at the Academy, or who have rendered distinguished service to the Institution may, on the recommendation of the Committee of Management and the written Certificate of the Principal Music Professor, be elected by the Directors Fellows of the Royal Academy of Music.
- E.—The number of Fellows of the Royal Academy of Music shall be limited to one hundred and fifty.
- F.—Existing Fellows of the Royal Academy of Music, and Fellows elected under this Rule, and no other persons, shall be entitled to the use after their names of the initials F.R.A.M.
